I. Call to Order

II. Public Comment (6:30-6:35)

III. Approval of Agenda (6:35)

IV. Consent Agenda (6:35-6:40)
   A. Approval of February 21, 2018 Minutes (2)
   B. Director’s Report (3)
   C. Friends of the Ramsey County Libraries Report (4)

V. Action Items (6:40-7:00)
   A. Election of Officers (5)
   B. Liaison and Committee Appointments (6)
   C. Annual Report to State (7)
   D. Maintenance Agreement for Automated Materials Handling Equipment (8)

VI. Discussion Items (7:00-8:30)
   A. 2019 Supplemental Budget Process (9)
   B. IT Consolidation Update (10)
   C. Capital Planning Update (11)
   D. North St. Paul Branch Update & Tour (12)
   E. Other

VII. Next Meeting – April 18, 2018, RCL-Roseville, 2180 Hamline Avenue North, 6:30 p.m.

VIII. Adjournment (8:30)

LIBRARY BOARD PRESENT:
Deb Berry, Marisol Chiclana-Ayala, John Hakes, Sida Ly-Xiong, Paula Mielke, Sylvia Neblett

LIBRARY BOARD ABSENT:
Craig Klausing

STAFF PRESENT:
Jill Boldenow, Library Director; Mary Larson, Library Board Coordinator; Lynn Wyman, Deputy Director; Jeff Eide, Senior Library Manager; Marcus Lowry, Mounds View Library Manager; Julie Neville, Senior Building Services Manager; Mike Weber, Maintenance Mechanic Manager

OTHERS PRESENT:
Les Sipkema, Shoreview Resident; Bryan Olson, Falcon Heights Resident

CALL TO ORDER:
Mielke called the meeting to order at 6:30 p.m. in the Community Program Room of the Ramsey County Library in Mounds View, 2576 Mound View Boulevard. New Library Board Trustees Deb Berry, Sida Ly-Xiong and Sylvia Neblett were welcomed and introductions of the Library Board and Library staff were made.

PUBLIC COMMENT:
Les Sipkema, Shoreview resident, spoke about the responsible authority for the Library under the Government Data Practices Act; print versus digital services and cloud-hosted services; and naming rights at the library in Shoreview.

Bryan Olson, Shoreview resident, made suggestions regarding the Library Board minutes.

APPROVAL OF AGENDA:
Hakes made a motion to approve the agenda for February 21, 2018 as presented. Chiclana-Ayala seconded the motion, which was approved by unanimous vote.

APPROVAL OF MINUTES:
Chiclana-Ayala made a motion to approve the minutes of January 17, 2018 as presented. Hakes seconded the motion, which was unanimously approved.

DIRECTOR'S REPORT:
Important Dates: The Friends Gala is February 24, 6:30–9:30 p.m., at Roseville Library. On March 6, the Library Director, Board Chair, and staff will meet with legislators for Minnesota Library Association Legislative Day.

Library: The annual Kindergarten Card party was as lively as ever! Kids and families streamed into Shoreview Library all day on January 20. They enjoyed a scavenger hunt, a presentation and book signing with Kate DiCamillo, book giveaways, and getting a new library card. RCL children’s librarians visited 2,674 kindergarteners in school visits to promote this opportunity. RCL received 1,593 card applications, and the party drew 277 kindergartners to get their library card in person. (Others will be mailed). Thanks to Library Board member Paula Mielke and Commissioners Blake Huffman and Victoria Reinhardt for helping to greet and guide the eager participants. Kudos to the RCL children's librarians, Heidi Holland and her volunteer crew, and Shoreview Library staff for pulling off this great event! Thanks to the Friends for sponsoring this effort.
News about RCL’s Paws to Read program went viral thanks to a dog named Sting. Paws to Read brings volunteers with registered therapy animals to the Library so that young readers can practice reading with a friendly, furry listener. On February 7, John Muellner brought his greyhound, Sting, to White Bear Lake Library. When he had no readers, he posted about it on Facebook with photos of the long-faced dog. This post has been shared more than 100,000 times. People called and emailed from around the world offering to read to Sting. The viral spread of this story was covered by the Today Show, KARE 11, KMSP, WCCO, the StarTribune, Pioneer Press, White Bear Press, the Daily Mail UK, and more. Librarians and communications staff did a great job leveraging the attention. White Bear Lake children’s librarian Ann Wahlstrom gave numerous interviews that raised the profile of Paws to Read at RCL. Sting and other therapy animals are now booked for months. Staff have planned many fun activities to serve the large number of people expected at Sting’s next Library appearance.

Boldenow submitted an application to participate in the University of Minnesota’s Resilient Communities Project. If the proposal is accepted, RCL will receive research assistance to help better understand the learning needs of suburban Ramsey County immigrant communities.

Shoreview Library has won a Design-Build excellence award from the Design-Build Institute of America (DBIA). This is the second architectural honor for Shoreview Library!

The North St. Paul Library will soon expand its footprint. The Library leases space for this branch in a facility owned by the City of North St. Paul. The City has agreed to give the Library exclusive use of a room adjacent to the Library. Boldenow will work with the County Attorney’s office to amend the Library’s lease. RCL will use the new space for the children’s collection and programming, which have outgrown the current space.

Boldenow is preparing for the County’s 2019 Supplementary Budget Process. Though the Library’s biennial budget for 2018-19 was established last year, this process may involve supplementary budget allocations. A big focus of the process is reporting on performance measures to the County Board of Commissioners in August.

Ramsey County: Ramsey County Manager Julie Kleinschmidt recently announced her plans to retire at the end of June. Kleinschmidt joined Ramsey County in 2000 as Finance Director, and she has served as County Manager for ten years. The Ramsey County Board of Commissioners will work with a recruitment firm to fill this position.

Boldenow was recently appointed to the Ramsey County Technology Governance Committee. The committee’s charge is to align IT and business objectives and to address risk, performance, and IT resources. She also serves on the County’s Senior Management Team, Economic Growth and Community Investment (EGCI) service team, Racial Equity Leadership Team, Youth Continuum of Care Governance Committee, Sexually Exploited Youth Leadership Committee, and the Payment Card Industry Compliance Sponsors Group.

FRIENDS OF THE RAMSEY COUNTY LIBRARIES REPORT:

Kindergarten Library Card Sign-up Celebration: More than 1,500 library card applications were processed through this effort and 277 cards were handed out at the event held on January 20, 2018. Congratulations to all of the Children’s Librarians for setting kindergarteners on a path of lifelong learning and exploration through this heartwarming and inspiring event.

2018 Friends Gala, *A Whale of a Tale!* This year’s gala will be filled with many perennial favorites as well as some exciting new features:

- Fair State Brewing Cooperative in NE Minneapolis is donating beverage service and craft beer and Cotroneo’s in White Bear Lake is donating wine.
- The Grateful Table in Roseville is catering the Gala this year and they have lined up a delicious menu of appetizers and desserts—not to be missed!
GeminiX, a youth string orchestra from Chippewa Middle School in North Oaks, will open the evening festivities before our fabulous pianist, Sharon Planer, takes the stage.

The Friends are grateful to the 85 plus community supporters for donating fabulous silent and live auction items—bidding on the silent auction will open on Saturday, February 16 and can be done remotely. Thank you to the following sponsors for making this event possible:

**Exclusive Media Sponsor:** Pioneer Press  
**Platinum:** Metro State University and Walser Corporation/Foundation  
**Gold:** Andersen Corporation, Applewood Pointe, Blue Cross and Blue Shield of MN, Carl Bolander and Sons, Falcon Heights/Lauderdale Lions Club, Health Partners, Northeast Bank, Mary & Wayne Carter, Cathy Croghan & Kathy Robbins, Dick & Mary Fowler, Frank & Jayne Harris, John W. Harris, Pam Harris, and the Aplikowski Family  
**Silver:** Community Resource Bank, Josh’s Place, Premier Banks  
**Beverage Sponsor:** Fair State Brewing Coop  
**Wine Sponsor:** Cotroneo’s Wine and Spirits

**Shoreview Capital Campaign:** The Friends will be hosting a community celebration in June in partnership with Ramsey County Library, the Shoreview Capital Campaign Committee, and the Shoreview Library Art Committee to celebrate the successful conclusion of the Shoreview Library Capital Campaign. This is a wonderful opportunity to not only showcase the Shoreview Library as a resource that truly enhances and enriches the quality of life in the region, but to also engage Shoreview residents and surrounding communities to continue to use and support the Shoreview Library in the years ahead.

The focus for the event is to thank the hundreds of community volunteers and donors who helped to raise more than $234,000 for the Shoreview Library Capital Campaign and to display the many amenities made possible through these efforts. Many of the artists will be on hand to meet with guests and talk about their work. As a special bonus, Gallery 96 will have an exhibit in the Community Room that night and Shoreview entrepreneurs, Paul and Alyssa Boswell, will be joining us for the evening to demonstrate their revolutionary new computer coding game, Turing Tumble.

**Upcoming Events:**
- **Friends Annual Gala:** *Whale of a Tale!* on Saturday, February 24, 2018 at the Roseville Branch  
- **Friends Board of Directors** meeting on April 23, 2018 at the Shoreview Branch  
- **Book It 5K** on Saturday, May 19, 2018 at the Roseville Branch  
- **Shoreview Capital Campaign Donor and Artist Reception** on June 15, 2018 at the Shoreview Branch  
- **“POP-UP” Used Book Sale,** September 25-29, 2018 at the Shoreview Branch  
- **Friends Author Luncheon,** November 3, 2018 at North Oaks Golf Club

**LIBRARY BOARD BY-LAWS:**
The Library Board completed a comprehensive review of the Board By-laws in 2016. The by-laws were significantly revised, and a chart clarifying responsibilities of the Library Director, Library Board, Friends of the Library and County Board was developed. No changes to the by-laws are proposed for 2018.

Chiclana-Ayala made a motion to approve the Library Board By-laws as presented. Neblett seconded the motion, which was approved by unanimous vote.

**LIBRARY BOARD POLICIES:**
The Library Board completed a comprehensive review of the Board Policies in 2016, which significantly revised the document. No changes to the by-laws or policies are proposed for 2018.
Berry made a motion to approve the Library Board Policies as presented. Hakes seconded the motion, which was unanimously approved.

YEAR END RESERVES LIST:
At the end of each budget year, all Ramsey County departments are required to submit a list of unpaid obligations and planned expenditures. Although overall revenues were below projections, there is a surplus available from the operating budget for special projects. Balances also remain from the 2016 reserves approved last year. Reserves must be spent within three years after the original budget year or they are forfeited to the Library’s Fund Balance.

Ly-Xiong made a motion to approve the 2017 and 2016 year-end encumbrances as proposed. Neblett seconded the motion, which was approved by unanimous vote.

CAFEINE THAI CAFÉ LEASE TERMINATION AGREEMENT:
Sanook, LLC operated Caféine Thai Café at Maplewood Library until October 2017. Sanook notified the Library that it will not continue to operate. The lease began in November 2014 and is in effect through January 2020. Sanook, LLC has agreed to the terms set forth in a Lease Termination Agreement produced by the Ramsey County Attorney’s Office.

Boldenow noted that Caféine, which started as a coffee shop and later became a Thai food café, will be forfeiting the damage deposit and selling the furnishings and equipment to the Library for $1 under the terms of the termination agreement. Library staff are contemplating future use of the space, in conjunction with the predesign planning currently underway with Meyer, Scherer & Rockcastle Architects for the library in Maplewood.

Berry made a motion to approve the Lease Termination Agreement between Ramsey County Library and Sanook, LLC, d/b/a/ Caféine, and to authorize the Library Board Chair to sign the document. Chiclana-Ayala seconded the motion, which was approved by unanimous vote.

NAMING RIGHTS POLICY:
Public policies are brought to the Library Board every year on a scheduled basis. This year, a total of ten policies will be submitted for Board review over the next several months.

Two policies are under consideration this month: Naming Facilities and Naming Rights. Staff is recommending that the two policies be combined into a single Naming Rights Policy. While text is reorganized from the original policies and there are a few minor alterations, the substance of these policies remains largely unchanged. The Library Board discussed the proposed policy and the Ramsey County policy on naming facilities after individuals only in exceptional cases.

Neblett made a motion to approve the recommended changes combining the Naming Facilities Policy and the Naming Rights Policy into a single Naming Rights Policy. Berry seconded the motion, which was approved by unanimous vote.

2017 FOURTH QUARTER REPORTS:
The Library Board reviewed the third quarter workplan updates, financial report, statistics, and incident reports, with background information provided by Library staff due for the three new Board members.

PROPERTY MANAGEMENT UPDATE:
Julie Neville, Senior Building Services Manager with Ramsey County Property Management, manages the Library facilities along with Maintenance Mechanic Manager Mike Weber and other maintenance staff.
Neville indicated that she manages 15 facilities in Ramsey County, and is the only Building Services Manager embedded into one of the facilities she manages. Neville noted that having access to the expertise of the Property Management Department is advantageous for all the building managers.

She review projects completed in the last few years, including new facilities in White Bear Lake and Mounds View, and the remodeled library in Mounds View. Upcoming projects were also outlined.

**MOUNDS VIEW BRANCH UPDATE AND TOUR:**

**Trends in the service area:**
- More than 25% of Mounds View residents are people of color. 11% are foreign born, and 17% speak a language other than English at home.
- Over 10% of Mounds View residents have a disability status.
- 5.5% of residents are unemployed (slightly higher than the Twin Cities average of 4.8%).
- Mounds View residents have an overall lower educational level than the general Twin Cities.

**Library issues and service trends:**
- Two handmade display units were installed allowing the new adult fiction and nonfiction to be feature more prominently in the front of the library.
- Spanish language titles increased in circulation and feature on the new display.
- Patrons continue to use the free fax machine and scanner at high rates.
- New chiller is being installed 2/18 to replace the AC for the building.
- Mary Wetterlin has expanded children’s services to include more STEAM, Makerspace, and other creative programming.

Marcus Lowry, recently promoted to Library Manager at the Ramsey County Library in Mounds View, gave the Library Board a brief overview of the facility and led the Board members on a tour.

**NEXT MEETING:** March 21, 2018—RCL North St. Paul, 2300 North St. Paul Drive, 6:30 p.m.

**ADJOURNMENT:**
Klausing adjourned the meeting at 8:30 p.m.

Respectfully Submitted,

Mary Larson
Library Board Coordinator
Staff Updates:  
Transfer: Paul Lai, Librarian, to Shoreview  
Retired: Bonnie Bassett, Library Page

Important Dates: All Libraries are closed April 1 and April 19. National Library Week is April 8-14.

On February 24, the Friends of the Ramsey County Libraries hosted another fun-filled Gala, and they met their fundraising goal! Despite the snow, costumed guests came out for this “Whale of a Tale” party. The great selection of donated auction items attracted bidders in person and online. Congratulations to the Friends staff, board, and volunteers for another successful event! Thanks to Library and Property Management staff who assisted with or attended the event. Staff were well-represented among costume contest finalists and winners!

I attended Minnesota Library Association Legislative Day on March 5 with Deputy Director Lynn Wyman and Librarians Amy Boese (current MLA President) and Therese Sonnek. We provided library information to all legislators serving suburban Ramsey County. We met with five legislators to discuss funding for regional library systems, bonding for library construction projects, creating a school librarian funding pool, and supporting Legacy-funded programming in libraries.

White Bear Lake Library has begun circulating ParkRx Kits, which promote state parks and healthy outdoor activities. Each kit contains a 7-day Minnesota State Parks pass; three books about parks, hiking, and nature; a notebook for commenting on park visits; and various maps and brochures. Branch Manager Therese Sonnek developed this project in partnership with the Minnesota Department of Natural Resources, with funding support from the Greater White Bear Lake Community Foundation.

The Library is continuing its partnership in 2018-19 with the University of Minnesota Extension program to offer 4-H programming for youth in libraries. This partnership expands on an urban 4-H program by bringing STEAM programming and leadership opportunities to suburban youth.

Celebrate National Library week at storytimes with Ramsey County Commissioners! Commissioners Blake Huffman, Mary Jo McGuire, Victoria Reinhardt, and Janice Rettman will participate in storytimes at all seven libraries April 9-13. See page 13 in the Explore newsletter for the full schedule.

On April 19, Staff In-Service Day will feature training on serving English-language learners and new immigrants; serving patrons with developmental disabilities; circulation procedures; CPR; and more.
Friends Update
March 2018

2018 Friends Gala, A Whale of a Tale!
We want to say a Whale of a Thank You to everyone who braved the snowstorm and turned out for the Friends Gala as well as to everyone stuck at home who continued bidding and made our event a swimming success! With the support of our generous community, the Friends’ Fifth Annual Gala reached our goal of providing $30,000 to enhance the Ramsey County Library lending collection.
Book It 5K Walk/Run
Join friends, family and neighbors for this healthy fundraising event to support the Ramsey County Library Summer Reading Program! The Book It 5K Walk/Run will be held on Saturday, May 19, 2018. The race begins at 9:00 am at the Roseville Branch and proceeds around Roseville's scenic Central Park. All ages are welcome, with prizes for top finishers in each age category. We need many volunteers of all ages for this event. If you can help, please contact the Friends at 651-486-2213 or at rclfriends@rclreads.org.

Registration forms are available in the libraries or register online at www.rclfriends.org/5k2018. Fees:
- By May 3rd: $27 per adult or $75 per family
- May 4th through 13th & on race day: $32 per adult or $85 per family
- Age 12 and under: $15 any time

For some extra fun while we wait for the racers to come in:
- **Library Lap**: A free and noncompetitive kids’ fun run led by a librarian in a T Rex costume will be held in the library’s north parking lot after the race at 10:00 am. This activity is open to children ages three to 12 and all children who participate will receive a free book. Pre-registration is not required for the Library Lap.
- **PopUp Library**: Ramsey County Library piloted a new service in 2017—the PopUp Library. The pilot project, funded by the Friends, travelled to community sites throughout suburban Ramsey County to offer library card registration, a small collection available for browsing and checkout, free Wi-Fi, and more. The PopUp Library will be set up in the Roseville parking lot and we will be making buttons.
- **Yoga Warm-up**: Bliss Yoga Studio will be leading a free yoga warm-up in front of the main entrance to the library.

You can help even more by encouraging your friends, family, and coworkers to sponsor your participation as a walker, runner, or stroller. You may qualify for an incentive based on the level of monies raised. Sign up for individual sponsorship at www.rclfriends.org/5k2018.

Upcoming Events
- **Friends Board of Directors/Annual Meeting** on April 23, 2018 at the Shoreview Branch
- **Book It 5K** on Saturday, May 19, 2018 at the Roseville Branch
- **Shoreview Capital Campaign Reception** on June 15, 2018 at the Shoreview Branch.
- **“POP-UP” Used Book Sale**, September 25-29, 2018 at the Shoreview Branch
- **Friends Author Luncheon**, November 3, 2018 at North Oaks Golf Club. Our featured speaker this year is award-winning author and director of *Dream of Wild Health*, Diane Wilson.
SUBJECT:
Election of Officers

BACKGROUND:
The Library Board By-laws call for the officers of the Board to be a Chairperson, Vice Chair, and Secretary. Officers for each year are elected at the Annual Meeting, which is typically the first meeting in January. However, with three vacancies on the Library Board, elections were postponed until after the County Board appointed the new members in February.

The duties of the officers are as follows:

The Chair of the Board of Trustees presides at all meetings, appoints all committees, authorizes calls for any special meetings, executes documents authorized by the Board, and generally performs the duties of a presiding officer.

The Vice Chair of the Board of Trustees assumes the duties of the Chair in the event of the absence or disability of the Chair. In addition, the Chair may assign duties to the Vice Chair with concurrence of the majority of the Board of Trustees.

The Secretary of the Board of Trustees is responsible for ensuring that a true and accurate account is kept of all proceedings of the Board meetings; that notices of all meetings are issued; that the minutes and other records of the Board are maintained; and that the Board of Ramsey County Commissioners is notified of any vacancies on the Library Board of Trustees.

BOARD ACTION REQUESTED:
Elect a Chair, Vice Chair and Secretary for 2018.
Request for Library Board Action

Meeting Date
March 21, 2018

Appoint Liaisons

Presented By
Jill Boldenow,
Library Director

SUBJECT:
Liaison and Library Board Committee Appointments

BACKGROUND:
Each year, the Library Board appoints members to serve on the Board’s sole standing committee, the Personnel Subcommittee, and appoints a liaison to the Friends of the Ramsey County Libraries.

Members of the Personnel Subcommittee coordinate the Library Director’s annual performance review, and may meet occasionally to discuss staff personnel issues.

Other committees and liaison appointments may be made throughout the year as needed.

BOARD ACTION REQUESTED:
To appoint Library Board members to the following positions and subcommittees:

1. Friends of the Ramsey County Libraries Liaison
2. Personnel Subcommittee (3 members)
Request for Library Board Action

Meeting Date
March 21, 2018

Action Requested
Authorization to Submit

Jeff Eide,
Senior Library Manager

SUBJECT:
Annual Report to State

BACKGROUND:
State Library Services, a division of the Minnesota Department of Education, coordinates a statistical survey on library usage, collection size, staffing distribution, etc. for every library in Minnesota each year. Libraries are required to submit their annual data to the State Library Services Office no later than April 1. Ramsey County Library is currently in the process of gathering the required data for submission.

Policymakers, library administrators and the general public use the statistical data to plan and evaluate library development and services. Data for public, academic and state library agencies is available from the Institute of Museum and Library Services (IMLS).

A copy of the report will be available upon request after April 1.

BOARD ACTION REQUESTED:
To authorize the Library Board Chair and Library Director to sign and submit the 2017 Public Library Annual Report to the Office of State Library Services as mandated.
SUBJECT:
Maintenance Agreement for Automated Materials Handling Equipment

BACKGROUND:
Ramsey County Library has automated materials handling (AMH) equipment at its three regional libraries. The warranty period for the newest AMH system at Shoreview will expire on March 31, 2018. To protect the Library’s investment and ensure service is not interrupted, a service agreement needs to be purchased. Because AMH technology is unique, maintenance is typically purchased directly from the manufacturer at a percentage of the purchase price. Tech Logic, the manufacturer for all three of the Library’s AMH systems, offers one-year to three-year Full Service Agreements.

In 2017, Library staff worked with the Ramsey County Attorney’s Office and Tech Logic to create maintenance extensions for Maplewood and Roseville that aligned renewal dates with the end of the warranty period for the new Shoreview AMH. This facilitated combining three separate contract terms into one renewal period, reducing the frequency that the agreements need to go through legal review. It also provided an option to take advantage of potential cost savings offered by Tech Logic for combined maintenance contracts. All three AMH systems will require maintenance agreements beginning April 1, 2018, to ensure the Library’s investment remains functional and service is not interrupted.

The Library is recommending a three-year agreement to take advantage of multi-year discounts that provide maintenance through the 2020 budget and does not limit our ability to negotiate lower rates or alternative maintenance in the future.

The three-year Full Service Agreement is $81,032.00 per year and will be funded using a portion of the current technology budget earmarked for this use. This agreement includes labor for mechanical repair, discounted parts, preventative maintenance visits, and software support. Savings under the combined agreement total more than $26,000 over three years.

The Ramsey County Attorney’s office and the Procurement office are working with Library staff and Tech Logic to finalize the development of a combined maintenance agreement.

BOARD ACTION REQUESTED:
Approve the AMH Full Service Agreement with Tech Logic Corp. of Oakdale, MN for a three (3) year term at a cost not to exceed $81,032.00 per year, and authorize the Library Director to sign the Agreement.
Request for Library Board Action

Information and Discussion

Presented By
Jill Boldenow,
Library Director

SUBJECT:
2019 Supplemental Budget Process

BACKGROUND:
In 2017, the County Board approved a budget for 2018–2019. This year’s supplemental budget process is focused primarily on reporting departmental performance measures that support County goals. Limited supplemental budget changes for 2019 will also be considered. These changes will include those that the Board has already approved during the year and necessary changes recommended by the County Manager.

The Library will begin working with Policy and Planning and Finance staff to select and report on relevant performance measures and assess the need for budget adjustments.

Timeline:
Budget kickoff meeting: March 6, 2018
Department performance measures and supplemental budget forms due: April 25, 2018
EGCI service team/Library meeting with County Manager, Finance, and Policy: May 17, 2018
Department documents due to Finance Department: July 6, 2018
County Manager presents performance measures and proposed budget: August 7, 2018
County Board hearings on EGCI service team budgets: August 13, 2018
County Board certifies 2019 maximum property tax levy: September 18, 2018
County Board approves 2019 supplemental budget and property tax levy: December 11, 2018

BOARD ACTION REQUESTED:
For Information and Discussion.
Subject: IT Consolidation

Background: The Ramsey County Information Services (IS) Department has advanced IT Consolidation with departments across the County. Currently, IS is working on IT Consolidation with the Library and the County Attorney’s Office.

After IT Consolidation is complete, some IT support services that were provided in-house by Library staff will be consolidated in the IS department. These services include help desk and desktop support as well as server and network administration.

While these functions will transition to IS staff, the Library will continue to manage unique line of business technology applications and equipment. The Library will also continue to oversee its technology planning, digital services, vendor relations, and digital literacy programs.

County Board action within the next month will enable the Library to formally transition designated IT functions to IS. At that time, we will make changes to staffing levels and job titles in the Library and in IS.

Board Action Requested: For Information and Discussion.
Request for Library Board Action

SUBJECT:
Capital Planning Update

BACKGROUND:
The Library is working on two capital planning projects in 2018.

Since January, 2018, Library staff and consultants from Meyer, Scherer & Rockcastle (MSR) Design have been working on a Maplewood Library pre-design analysis. MSR recently presented concepts for reconfiguring service areas and reducing sound issues. Library staff feedback will inform a final set of options, which we will receive in the next month. MSR will also provide cost estimates and recommendations on phasing if necessary. We hope to utilize remaining Shoreview project funds to support final design and implementation at Maplewood, though we may request additional funds as needed. We will need to complete and close out the Shoreview project before we can assess or take action on our funding options.

In February, 2018, the Library allocated year-end reserves to hire a consultant to produce a master library facility plan for 2019-2025. The Library Director has requested support from County Property Management to issue an RFP in April for this project. The timeline calls for a completed master plan before the end of 2018. The project goals are to sustain vibrant learning spaces that engage the broad diversity of the community; identify Library facility and furniture, fixtures, and equipment (FF&E) requirements; and prioritize our needs to advance strategic goals. This plan will be used to guide budgeting, funding requests, and project implementation.

BOARD ACTION REQUESTED:
For Information and Discussion.
Branch Library Report  
North St. Paul  
March 21, 2018  
Report to the Library Board  

TRENDS IN THE SERVICE AREA  
- Population in North St. Paul remains somewhat flat with a current (2016) number of 12,069 residents. Projected trends indicate 11,900 (2030) and 12,000 (2040).  
- Demographics indicate a predominately white (74%) population with approximately 26% under the age of 18.  
- The population is relatively stable with 95% of available housing units retaining occupation. About 2/3 of the population in North St. Paul own their residence. The remainder live in rental housing, Section 8 housing or senior housing.  
- The medium household income remains firmly planted in the lower middle-class bracket, averaging at $57K per annum.  
- Despite the fact that the census indicates the overall population in N. St. Paul is ~80% white, the ISD622 demographics indicate that the student population is only 52% white suggesting that perhaps Maplewood and Oakdale are contributing to the more diverse student population. 51% of the ISD622 student body receive free/reduced lunch services. More than 50 non-English languages are spoken in the households of the ISD622 student body. The school with the most diverse student population (over 72%) is Webster Elementary School which sits in North St. Paul.  
- The charter school in the area, North Metro Flex Academy, has an increase in student population for its second year. The student body remains very diverse with a large portion of families from Mexico and Central America.  

LIBRARY ISSUES AND SERVICE TRENDS  
- North St. Paul said goodbye to long-term reference librarian Charles Mosner (who transferred to Roseville) and hello to new reference librarian Kay Jacobson.  
- The Emerson-Bauer hockey school closed in the fall resulting in some changes at the library. The city has hired a professional cleaning company, which has allowed us to maintain an adequately clean library. We are very happy with this change. The school’s withdrawal frees up the “teen” room at the library for use whenever the library is open. This has led to a discussion with the city regarding permanent occupation of this space. We are close to finished with negotiations with the city which will allow us to move the children’s collection into this room and free up space in the main library to rearrange the collection to better suit our patron’s needs.  
- The Kokoro Volleyball Club will remain in the building for evening and weekend use. They have been very accommodating about the library taking over the previously shared room and have assured us that their coaches will not use this room. We hope in the future to change the lock on the door out into the building, perhaps putting in a door with a panic bar exit for emergency purposes.  
- We have continued our partnership with the North Metro Flex Academy who visits us weekly classroom-by-classroom for school checkouts. On average, we have had 350 visits/checkouts per month from the North Metro Flex Students. We are also working on a project to get every fourth and fifth grader at the school their own library card. Since many of the students have a somewhat transient housing lifestyle, this can be tricky, but the importance of getting kids their own library cards outweighs the obstacles.  
- Last fall local North High student Noah Hurley asked to partner with the library on his Eagle Scout project. As a result, Noah will be building us a small pollinator garden outside the large windows in the old teen room. This will not only be an attractive thing for kids to look at once the children’s collection is moved, but will provide some support for our annual monarch butterfly program.
LIBRARY SERVICES AND EVENTS

Number of weekly storytimes, book clubs or other on-going programs
- One weekly Family Storytime
- One monthly adult book club

What is special and important about the library
- Personal connection with patrons
- Small, cozy feel which patrons appreciate – especially patrons with intellectual disabilities or those coming from group homes in the area
- Providing the new charter school in the area with a library they can call their own
- Non-requestable collection allows patrons access to bestsellers and new dvd releases the day they are released
- Convenience to low income housing and downtown North St. Paul
- Ability to provide in-depth reference or computer assistance without interruption

Collection Highlights
- Non-requestable collection
- Popular magazines with current issue available for checkout
- “New York Times Bestsellers” on display (changes weekly)
- Growing children’s collection

Work Plan Project(s)
- Branch Manager (Monica Stratton) currently part of Pop-Up Library initiative and helping coordinate summer outreach events

Key Partnerships
- Independent School District 622
- St. Peter’s Catholic School
- North Metro Flex Academy
- Kokoro Volleyball Club (share building)
- City of North St. Paul
- Battle Creek Head Start
- Ramsey County Parks & Rec
- Minnesota DNR

I am here!
Sting, the Greyhound, was back listening to kids read at the Ramsey County Library since his post looking for readers went viral. We sent a little care package to help keep him energized. With his suddenly busy schedule, we want to make sure he keeps his energy up and continues promoting PAWS to Read and volunteerism. Your local library might have a similar program; ask them! Original post here: https://tinyurl.com/ydlovzid

The Autism Society of Minnesota

March 12 at 4:23pm

Mnnesolll Department of Human Services is hosting a public meeting for parents and caregivers of children, youth and young adults with Autism Spectrum Disorder (ASD) and related conditions on services and supports available on March 23. Check out the flyer for all the details, then join them at the Ramsey County Library in Maplewood.

AUTISM SUPPORTS PARENT MEETING
MARCH 23, 2018

Minnesota Department of Human Services is hosting a public meeting for parents and caregivers of children, youth and young adults with Autism Spectrum Disorder (ASD) and related conditions on services and supports available.

The meeting will focus on general ASD services and supports with an emphasis on the Early Intensive Developmental and Behavioral Interventions (EIDEI) waiver, as well as a presentation on applying for special education services.

The afternoon meeting will be presented by Vocational Rehabilitation Services (VRS), a division of Minnesota Department of Employment and Economic Development. VRS staff will discuss employment and transition services for youth with ASD and related conditions.

Anyone who needs reasonable accommodation or language assistance should send email to vita.state.mn.us or call 612-431-6400 as soon as possible.

MEETING LOCATION:
Maplewood Public Library
3025 Southlawn Drive
Maplewood, MN

*Please note the library opens at 10:00 AM.*

Group exploring free bus loop linking housing sites with businesses in south Roseville.

Submitted by admin on Tue, 01/16/2018 - 1:36pm

By: Warren Wolfe (/by/warren-wolfe)

A Roseville group is testing the waters to see if there is demand for a free bus service linking senior
Group exploring free bus loop linking housing sites with businesses in...http://www.lillienews.com/articles/2018/01/16/group-exploring-free-bus-loop-linking-housing-sites-with-businesses-south-roseville

A proposed bus loop serving seniors and others in southern Roseville and Falcon Heights would link senior housing facilities with shopping and community centers. Free rides would be available Tuesdays midday. There are three community forums planned to discuss the proposal. The first is Saturday, Jan. 20, from 10:30 to 11:30 a.m. at the Roseville Library.

The bus proposal will be the topic at a community forum on Saturday, Jan. 20, from 10:30 to 11:30 a.m. at the Roseville Library, 2180 Hamline Ave. N. It will explore what might be good pick-up and drop-off sites.

Two other forums will be Tuesday, Jan. 30, 2-3 p.m. at Fairview Community Center, 1910 County Road B W., and Wednesday, Feb. 7, 1-2 p.m. at Roseville City Hall, 2660 Civic Center Drive.

Riding the loop

The proposal came from CHAT, a volunteer group that found transportation issues are among the top barriers to good health care and nutrition for some area residents.

A preliminary proposal lists nine potential pick-up housing sites: Greenhouse Village, Heritage Place, Roseville Seniors House, Sienna Green Apartments, Sun Place Apartments, Brittany/Marion Apartments, Roselawn Village Apartments, and in Falcon Heights the Falcon Heights Town Square and 1666 Coffman.

The free service would be available to anyone who gets on a bus, not just those who live in the buildings where the buses stop.

Drop-off points would include the Roseville Library and the Fairview Community Center, which houses the senior center, adult learning center and other services. In addition, the bus loop might stop at three Cub groceries, Target and other businesses and services along the route — roughly Larpenteur Avenue, Rice Street, County Road B and Snelling Avenue.

The group discovered that Newtrax of White Bear Lake, which uses its fleet of 45 accessible buses mornings and afternoons to take adults with disabilities to jobs and learning sites, had started a pilot project in White Bear Lake to serve older people.

That program links eight senior housing sites and the White Bear Lake Senior Center with five groceries and other business. It operates three buses from 10 a.m. to 1 p.m. on Thursdays. It started with five passengers and now serves about 20 people a week in the southern part of that city, with plans to add a northern route this spring.
Covering costs

Roseville City Council members expressed support for the concept at the council meeting earlier this month, noting that such a program might help fill some gaps in transportation.

In addition to public buses and Metro Mobility buses for people with disabilities, the city is served by the Shuttle Bug bus operated by the Roseville Area Senior Center at a cost of about $69,000 a year.

"Of all the things we’re asked to do as a community, I think solving some of these types of problems and this type of creative solution are ... the type of thing I’m supportive of trying to make work," said Mayor Dan Roe. He and council member Jason Etten said the city might help pay part of the project’s estimated $18,000 annual cost.

In talking with council members, Newtrax transportation coordinator Scott Olson said his company would donate the use of the buses, and the $18,000 cost would primarily cover gas and drivers. He said he would seek donations from local businesses to help cover costs — in White Bear Lake, businesses have donated $6,000, so far.

Olson said the bus loop might be just the first step in serving Roseville area seniors or residents with disabilities. Newtrax has partnered with a new Twin Cities company called Mobility4All that next month will start a ride-on-demand pilot project in White Bear Lake.

Similar to Uber or Lyft, the program would allow seniors, people with disabilities or their caregivers to call for rides to groceries, drugstores, banks, doctors or other nearby places. The cost will be roughly $3 a mile. The pilot project will start with three drivers, who have passed criminal background checks and drug screening, serving two assisted living facilities. Olson said he hopes to expand to 100 drivers by the end of the year.

That program also might allow some families who already own handicapped-accessible vans to drive their vans for hire, offsetting some of their own transportation costs, he said.

-- Warren Wolfe is a retired Roseville resident who was a reporter at the Star Tribune.

Friends of the Ramsey County Library 2018 Gala

Date:
Saturday, February 24, 2018 -
6:30pm to 9:30pm

The Friends of the Ramsey County Libraries have announced the theme for their fifth Annual Gala: "A Whale of a Tale." This celebration of literary adventures on oceans, lakes, rivers, and ponds will be a public fundraiser held on Saturday, February 24, 2018 at the Roseville Library, 2180 Hamline Avenue North.

The gala will run from 6:30-9:30 p.m. and feature a live music, a silent auction; a live auction; complimentary hors d'oeuvres, wine and craft beer; prizes, a costume contest, a photo booth, and more! All proceeds benefit the seven branch locations of the Ramsey County Library.

The live and silent auctions will feature exciting items in categories such as dining and sightseeing experiences, sports memorabilia and tickets, artwork, comedy and theater tickets, autographed books, and gift baskets.
Past Friends Galas were attended by over 280 people and raised $30,000 to add 1,500 new items to the lending collection of the Ramsey County libraries located in Maplewood, Mounds View, New Brighton, North St. Paul, Roseville, Shoreview and White Bear Lake. The Friends' goal is to repeating this success in 2018.

Last year, the Ramsey County Libraries served 1,574,655 visitors and circulated 3,850,918 items from the lending collection. The Ramsey County libraries have the highest circulation per staff member in the Twin Cities metro area. Gala proceeds enable the Friends to add much-needed items to the lending collection, including extra copies of the most popular materials as well as audio books, large-print books, e-books and special collections.

Costumes or festive evening attire are encouraged but not required. Prizes will be awarded for the best costumes. Guests can make a real splash by dressing as their favorite characters from any fiction or non-fiction book set in, on or around water. This event is open to the public and tickets are on sale now. Tickets may be purchased either online or by mail for $50 per person in advance, or $60 at the door. $25 of each ticket is tax deductible as a donation. To order or learn more, visit www.rclfriends.org/gala2018.

For additional information, contact Cyndi Cook, Executive Director, at 651-486-2213 or cyndi.cook@rclreads.org.
Shoreview writer pens love letter to small town baseball

Writing is no new hobby for Tom Murray, a retired special education teacher and 3-year Shoreview resident.

He says he's been writing his whole life long ago, he asked someone if they would look at his manuscript of his.

"This is horrific," Murray recalls his reaction. Too embarrassed to give his writing to anyone else, Murray's commitment to writing led him to decide to settle for publishing one copy of his manuscript — it would be something he wrote, something his father could hold in his hands.

In going to publishers to get that solitary manuscript, he found that the majority of the costs of publishing aren't sunk in the number of books. If he had to go through the trouble to have one published...

Now, with this knowledge and the extra retirement time on his hands, he's returned to the pen, writing the new novella "Father, Sons, and the Holy Ghosts of Baseball," available now.

The story is set in the fictional town of Bancroft, Iowa, population 700, in the year 1974. It follows a young boy and his father who have just moved to town.

"Baseball is the heal-all of everything," Murray says. He began passing around free copies of his love letter to small-town baseball, and, to his surprise, people liked it.

Murray has begun selling the book on reading tours. He'll be giving a reading at the Shoreview Library Feb. 28 starting at 6 p.m. — the library is located at 4560 Victoria St.

The book can be bought at Anna's Hallmark Shop in Shoreview, at 1073 Highway 96.

— Solomon Gustavo

Article category:
Nicholas Barghini had a system. First, he instructed his young students to lie on their stomachs across chairs or a couch he set up for the private acting classes he taught at various St. Paul libraries last summer.

Next, after positioning himself at their feet and removing the students' socks and shoes, he told them to start reading from a monologue.

Then, with their heads facing away from him, he unzipped his pants and masturbated.
Standing beside his attorney in an orange prison jumpsuit, Barghini, 31, admitted in a Ramsey County courtroom Monday morning to repeating that conduct six times last summer.

His victims ranged in age from 9 to 11.

In one case, he admitted to touching an 11-year-old girl’s foot with his genitalia while she read from a script inside a room at Merriam Park Library last July 15.

Barghini said little more than “That is correct,” and “True” during the brief hearing as Assistant Ramsey County Attorney Tanya Olympia O’Brien and his own attorney, Debbie Lang, asked him to take responsibility for the crimes alleged against him.

Parents of some of the victims listened on from the front row in the courtroom.

The first charges were filed against Barghini late last July after one of his 10-year-old students told her mother that he had done “weird stuff” to her during an acting class.

After getting an insufficient explanation from Barghini about it, the woman went to the library where the class was conducted and asked to see surveillance footage.

The video captured Barghini removing her daughter’s shoes and socks and burying his face in her feet while touching them and masturbating, court documents say.

The incident prompted police to investigate, and other victims to come forward.

Additional video discovered on Barghini’s cellphone and laptop showed him engaging in similar behavior with other young students.

All of the victims’ parents had responded to ads Barghini took out in newspapers and online for private acting classes he taught at Riverview and Merriam Park libraries in St. Paul, according to statements his attorney made in court Monday.

During their investigation, police also found a piece of paper in Barghini’s wallet outlining his “sex goals,” along with a desire to form a cult.
No. 5 on the list had rows of ages and columns listed underneath it. “Feet” and “other” were included on the list, and there were Xs marked in the pre-13 and 13-17 age categories, court documents say.

In total, Barghini faced one count of second-degree criminal-sexual conduct and three counts of fifth-degree criminal-sexual conduct.

He entered guilty pleas to all the charges Monday and is expected to be sentenced April 23.
