Nature Play All Around!

Thank you for picking up your *Read.Make.Do: Nature Play All Around* kit.

In this kit, you will find:

- Small plastic bucket (for transporting things or a place to mix)
- Bandana (make a pouch and tie to a stick or with duplication activity)
- 2 Paint brushes (paint outside with water!)
- String, various colors (make a nature mobile or wand)
- Plastic bug (to freeze in a cup of water, then have fun thawing)
- Newsletters from Tinkergarten at Home (Lots of ideas included!)

LEARN OUTSIDE

What is nature play?

Unstructured, outdoor, make-it-up as you go play!

The right kind of play in the right kind of place over and over again. Sometimes playing IN nature, WITH nature is hard for kids (and parents) that aren't used to it. The items in this kit can help create new kinds of play outside, in the nature all around you.
