

Tuesday

Drawing Tutorials

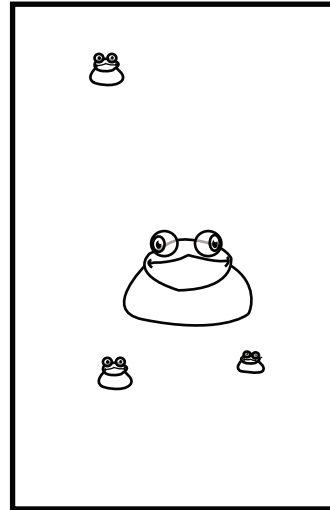

Follow the steps to draw the frogs flying in the sky. This image is based on David Wiesener's "Tuesday" book.

When starting the drawing use light sketch lines. It's easier to erase light lines than dark lines.

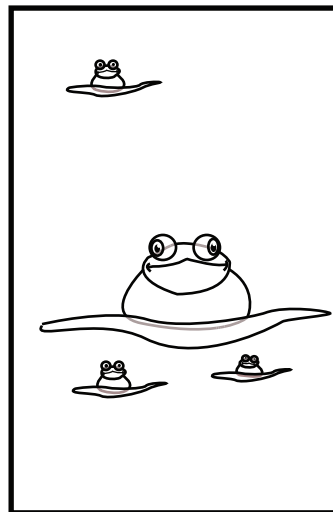

1) Draw the frog heads and body shapes.

2) Add the facial details. The gray lines indicate lines that will be erased.

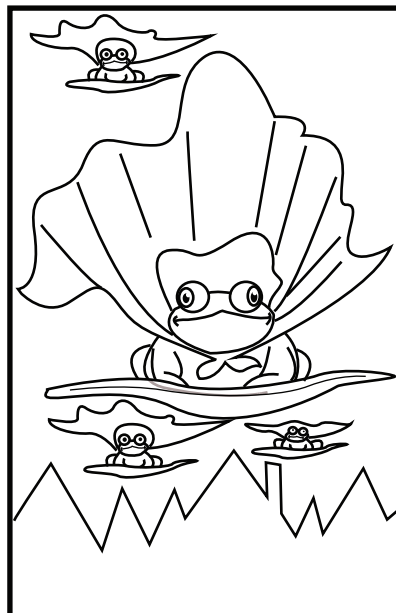

3) Add the lily pad shapes.

4) Add the legs, capes and roof tops.

6) Erase the extra lines and now the frogs are ready for coloring.
