

KIDS SUMMER BREAK & TEEN SUMMER BREAK SURVEY

Summer Break, Ramsey County Library's summer reading program, is for kids and teens. Filled with fun and educational activities to promote literacy, it supports academic achievement and prevents summer slide.

Over the years, we have made changes to the summer reading program. In 2019, we introduced the Beanstack app to help parents track reading and activities, with an alternative paper form available upon request. As we plan for next summer's program, we would like to hear from you!

Has your family participated in Ramsey County Library's summer reading program in the past?

☐ Yes

If yes, please tell us more about your participation (for example, years, paper or online) and any other comments you would like to share.

☐ No

If no, what prevented you from participating?

Would you prefer to use a paper form or online app to track your participation?

- ☐ Paper
- ☐ Online app
- ☐ Both paper and online

Why do you prefer this option?

Do you prefer to participate by keeping track of:

- ☐ Time your child spends reading (clocks).
- ☐ Books your child reads (titles).
- ☐ Reading-related activities (for example: reading a book about animals, reading in a park)

Does a prize for finishing the program motivate your child to read or participate? Yes / No

Tell us a little about how prizes factor into your participation.

For example, what prize(s) do you or your child find enticing? Is a guaranteed individual prize most motivating? Or a drawing for larger prizes?

Do you have any other comments or suggestions about Ramsey County Library's summer reading program?

Thank you.
