

Strategic *Priorities*

2023-2025

Extending our *welcome*.

We strive to grow welcoming spaces, to be more anti-racist, equitable, responsive and effective for all communities.

Growing our *partnerships* and *community presence*.

We will be deliberate in igniting our communities and forging partnerships to maximize positive impact.

Building resources to create *positive change*.

We will build our services, programs, spaces, technology, and collections to reflect the needs of the residents we serve, and to celebrate diverse cultures across our communities.
