

# Adding a Shortcut to the Library's Website to Your Smart Phone's Home Screen

## Android

1: Open Google Chrome and go to [rclreads.org](http://rclreads.org)  
Then select the **menu** icon

2: Select **Add to Home Screen**

3: Name the shortcut

4: Select **Add**

When you select this icon the library's website will open in Chrome

## iPhone

1: Open Google Chrome or Safari and go to [rclreads.org](http://rclreads.org)  
Then select the **share** icon

2: Scroll up to find **Add to Home Screen**

3: Name the shortcut  
Then select **Add**

When you select this icon the library's website will open in Chrome or Safari
